### Returning Team Deadlines (RTD):

The 7<sup>th</sup> and 8<sup>th</sup> weeks of the season are the last 2 nights to return for another season. Teams wishing to keep their spot for another season must register online and pay the Full League Fee.

Here are some important things to remember about RTD's:

- To be guaranteed a spot in an upcoming season, returning league teams must turn in an updated registration form and make their **Full League** payment on the 7<sup>th</sup> night of the current season. Teams that miss this deadline may be replaced for an upcoming season.
- The RTD dates for new leagues are the 7<sup>th</sup> and 8<sup>th</sup> nights of your current league. This is mentioned on all paper and internet schedules. It is the team manager's responsibility to register his/her team on or before the RTD's.
- Many of our leagues are full and we maintain a lengthy list of teams waiting to play in upcoming leagues. To accommodate this demand, no exceptions will be made for teams that miss the RTD. Once we are full we are full.
- If your team has to withdraw from the league before it starts, you must withdraw 7 days prior to the start of the new season to receive a full refund. If your team withdraws after that deadline but prior to the start of the league, Victory Lane will refund your league fee minus a **\$100 penalty fee. NO refunds after the league has started.**
- The team manager and assistant manager are responsible for making the league payment for their team to the park. All team payments made at the Victory Lane office should be in one total payment. **Individual player payments are not accepted.**
