Returning Team Deadline (RTD):

Six weeks into every league season teams are given the option to return for another season. Teams wishing to return for another season must turn in a completed registration form and the entire League Fee. Here are some important things to remember about RTD:

- To be guaranteed a spot in an upcoming season, league teams must turn in a registration form and the **Full League Fee** on Returning Team Deadline. Teams that miss this deadline may be replaced for an upcoming season.
- The RTD date is the 6th night of league each season and is marked on all paper and Internet schedules. It is the team manager's responsibility to register his/her team on or before the RTD.
- Our leagues are always full and we maintain a lengthy list of teams waiting to play in our leagues. To accommodate this demand, no exceptions will be made for teams that miss the RTD.
- If your team has to withdraw from the league before it starts, you must withdraw 7 days prior to the start of the new season to receive a full refund. If your team withdraws after that deadline, Victory Lane will refund your league fee minus a **\$100 penalty fee**.
- The team manager is responsible for collecting money from individuals on his/her team and submitting **one form** of payment to the league office. **Victory Lane will no longer accept individual payments from players.** Complete payments must be submitted by the team manager or assistant manager.
